CORONAVIRUS

PROTECT

YOURSELF

& OTHERS

COVID-19 SAFETY MATERIALS

COVID-19

TRANSMISSION VIA RESPIRATORY DROPLETS

Incubation period of: **2-14**
DAYS

Symptoms

- Fever
- Persistent Cough
- Difficulty Breathing
- Muscle Pain
- Tiredness

Prevention

When visiting affected areas

Avoid Contact with Sick People
Wash Hands with Soap & Water
If you develop a cough use a
medical face-mask

Whenever you travel apply general hygiene rules

WHAT YOU CAN DO

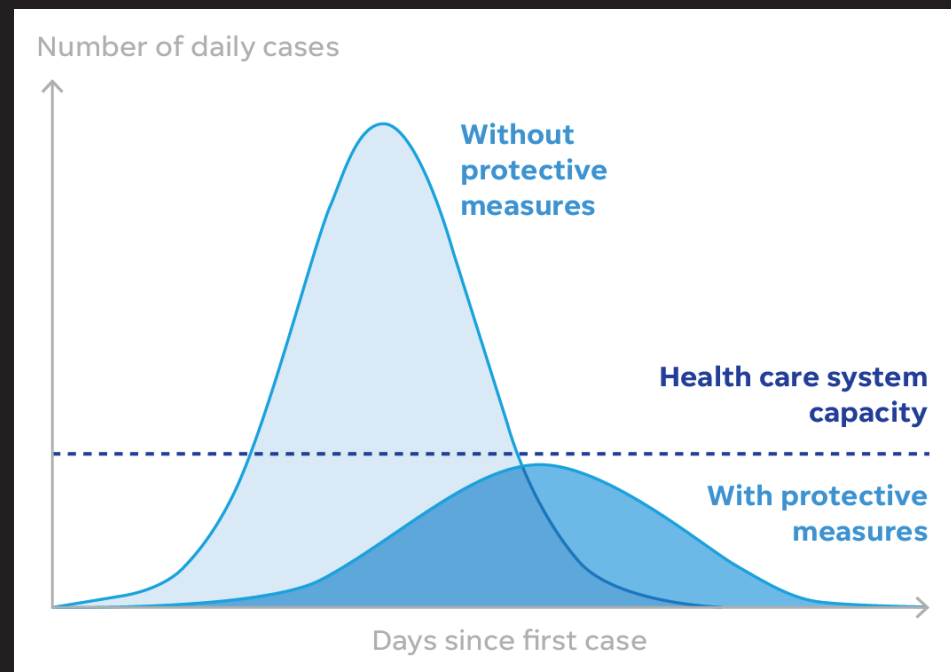

Self Isolation and Social Distancing are the best methods for battling the spread of this Virus. By flattening the curve we can give our NHS the chance to fight this Pandemic

Only go outside for food, health reasons or work (but only if you cannot work from home)

If you go out, stay 2 metres (6ft) away from other people at all times

Wash your hands as soon as you get home

Do not meet others, even friends or family. You can spread the virus even if you don't have symptoms.

WHAT IF I AM STILL RUNNING A BUSINESS?

If you are running a business that is essential then you need to implement adequate health and safety procedures in order to protect your staff, customers and those who will depend on your work.

This can be through the use of staffing procedures & rotas. Social distancing regulations, barriers and sign-age.

Where at all possible:

All non-essential businesses should close to the general public.

Carefully look at how the virus could spread within their business and prevent this.

Implement adequate measures to prevent the spread of the virus within their business.

Work should be done from home to prevent unnecessary contact.

WHAT MEASURES CAN I PUT INTO MY PREMISES?

You can implement a number of measures to help protect your staff, customers and the vital work that you are doing.

Through the use of banners, floor vinyl stickers & signage you can implement vital instructions to protect those on your premises and the work you're doing.

All floor vinyl is printed on White removable Floor Vinyl - Please note some residue may remain after these are removed, this should be cleaned with an appropriate cleaner. Please note we are not responsible for any damage that may occur to floors when this is removed or the cleaner that is used.

NEED SOMETHING BUT CAN'T SEE IT?

If you have any questions about what you can do to prevent the spread of the virus within your work place during this difficult time - please get in contact - one of our other products may help with implementing safety measures in the workplace.

Remember, if you can:

STAY HOME - STAY SAFE - SAVE OUR NHS
